# *Wildlife Among the Oaks*

*Wildlife Among the Oaks* provides up-to-date information on how the home, ranchette, and ranch owner can attract and maintain oak woodland wildlife. *Wildlife Among the Oaks* covers the interdependence of oaks and wildlife, and gives tips on managing special oak habitat resources for wildlife, and sharing your land with wildlife. Several "Prescription Cards" highlight interesting and useful facts on individual oak woodland wildlife species and describe their habitat requirements. Each section of *Wildlife Among the Oaks* is richly illustrated with color photography and artwork of oak habitats and wildlife.

Single copies are available free upon request. Multiple copies may be ordered using the order form below. Call for a quote on quantities over 200. Make checks payable to: U.C. Regents.
